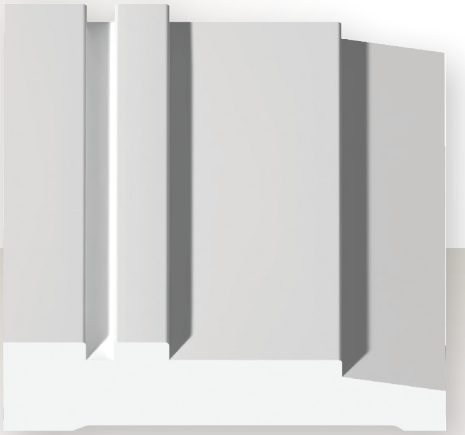
ITC MILLWORK

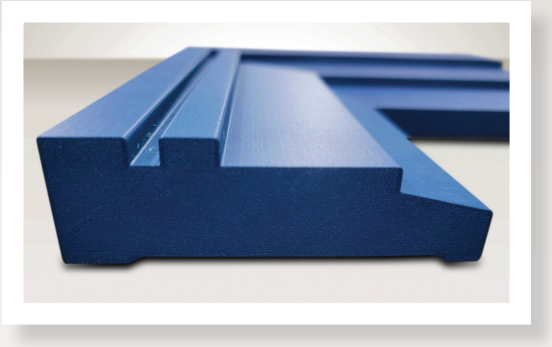
NO MORE WAITING FOR CUSTOM TRIM SAMPLES!

GET SCALED DESIGN SAMPLES IN DAYS, NOT WEEKS.



KOETTER 40128-ID-CA
1 ¼" x 4"

Waiting days for a traditionally milled custom trim sample is a thing of the past. Our scaled design samples are created in days, not weeks—offering a precise, tangible preview that lets you move forward with confidence and speed.



Recently scaled 3D samples created for homeowner approval.

Why Builders & Designers Love It:

- ✓ **Faster turnaround** – Say goodbye to long wait times
- ✓ **Precision & clarity** – See the details before committing
- ✓ **Cost-effective** – No set up fees
- ✓ **Keeps projects moving** – No more delays

Need a sample for your next custom trim project?
Let's make it happen.
